## Why Do Students Enjoy A Cooperative Work Environment Intern Program?

We asked, and this is what they had to say:

*"Cooperative Work Experience allows students to get valuable work experience which is vital to getting hired."*

*The program is built on the belief that well trained and experienced students will get the best jobs first, which is key to "career success."*

-Michael

*"The opportunities for growth within an organization is tremendous. I have a career with the company that I started out as an intern"*

-Susan

*"The experience really adds an advantage to being hired first. The support that I've received while working here has been incredible."*

-Vicki, Quality Assurance Specialist
