

HOW TO APPLY AND ENROLL

New Students

1 *SUBMIT YOUR COMPLETED APPLICATION FORM*

- Bring your application to the Admissions and Records Office:
Cuyamaca College
900 Rancho San Diego Parkway
El Cajon, CA 92019-4304
- Obtain an Appointment Card for Assessment/Orientation.

Admissions and Records Office Hours:

Monday -Thursday 8:00 a.m. - 7:00 p.m.
Friday 8:00 a.m. - 4:30 p.m.
Saturday 9:00 a.m. - 1:00 p.m.

SUMMER APPLICATION DEADLINE

June 22, 2002

(619) 660-4275

2 *ATTEND ASSESSMENT SESSION*

Attend an Assessment session prior to enrolling in courses. The recommendations that result from this will help in selecting appropriate English and math courses. See Assessment Process for exemption explanations.

(619) 660-4426

3 *ATTEND ORIENTATION AND ADVISEMENT*

Attend the Orientation session following Assessment. This workshop will clarify the process of selecting first-semester course work.

4 *USE YOUR CLASS SCHEDULE*

The class schedule helps you select the right classes. You will also find important calendar dates and information. However, the schedule does not replace your need for a catalog.

**SCHEDULES ARE AVAILABLE
IN THE ADMISSIONS AND RECORDS OFFICE**

5 *SEE A COUNSELOR*

If necessary, consult a counselor prior to enrolling in classes to ensure that you meet prerequisites and are taking courses which meet your educational goals.

(619) 660-4429

6 *ENROLL IN CLASSES*

- Students who apply by April 23, 2002, will be sent a telephone and web registration appointment.
- Students who apply after April 23, 2002, will be given a telephone and web registration appointment.

7 *PAY YOUR FEES*

We accept cash, Visa, MasterCard, Discover, personal check, cashier's check or money order. Checks are limited to amount of total fees.

See Registration Fees for exact costs.

FINANCIAL AID AVAILABLE

(619) 660-4201

Continuing Students

Continuing Students are scheduled to register before new students. To take advantage of your priority, register as soon as possible on or after your registration appointment time.

Registration appointments will be sent to students on April 26, 2002.

You may register by phone using **College Connection** (619) 668-4040 or via the Internet using *WebConnect*. Sign on at www.cuyamaca.net.

A walk-through registration day is scheduled for June 19, 2002, in the Admissions and Records Office from 3:00 p.m. - 7:00 p.m.

Welcome to Cuyamaca College

As President of Cuyamaca College, let me be the first to welcome you to our campus. I believe you will find that our College will provide you with the instructional and student services necessary to achieve your educational needs. Our vision, "Learning for the Future," embodies a philosophy of quality innovative learning experiences and environments to ensure your future success.

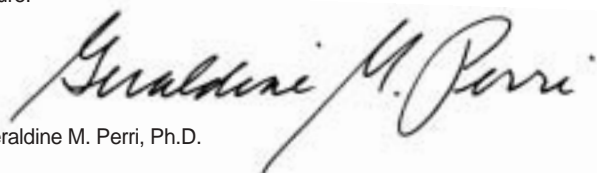

At Cuyamaca College you will find a faculty and staff who are committed to academic excellence and assisting you as you work towards your individual goals. We offer a variety of occupational, transfer and general education programs, and have over 140 classes for you to choose from. In addition to regular course offerings, we have provided alternative and innovative ways to learn, including Weekend College, Telecourses, short-term classes, off-site computer labs and tutoring assistance.

You are strongly encouraged to seek the assistance of one of our highly-trained and experienced counselors in order to develop your own individual Educational Development Plan. Our counselors will assist you to plan your courses carefully, meet your assigned registration dates and academic year timelines, and provide you with tips on how to study and complete your assignments in a timely, productive manner.

Please find time to visit our new Student Services One Stop Center, which is located off the Fury Lane entrance on Rancho San Diego Parkway. At the Center you will be able to register, speak to a counselor, learn about financial aid assistance, and access all the student services help you will need as you maneuver your way through your educational program.

To assist with needed classroom space, we have also recently remodeled our former N Building to a new Math Learning Center. In addition, we are proud to announce the opening of the new Child Development Center, which offers childcare in conjunction with our childcare educational program.

Cuyamaca College constantly strives to improve its services to our students and neighboring communities. Your success is important to us and we will do all we can to help you achieve it. Thank you for allowing us to share this part of your academic life and best wishes for a successful semester and future!

Geraldine M. Perri, Ph.D.

CUYAMACA
COLLEGE

CODE OF ETHICS

Cuyamaca College, as a public community college, and in the fulfillment of its mission, embraces a code of conduct for students, faculty, classified staff, and administrators. We recognize the value and dignity of each individual within the framework of the campus community.

We strive in all our affairs to:

- ❖ respect the opinions, values, and traditions of others;
- ❖ be responsible for our own behavior;
- ❖ be honest, open and trustworthy;
- ❖ be fair and equitable in our treatment of others; and
- ❖ promote democratic principles, good citizenship and the standards of academic freedom.

STUDENT WITHDRAWAL & GRADE RESPONSIBILITY

You are held responsible for all classes in which you register. If you decide to withdraw from a class(es), it is your responsibility to drop using College Connection, WebConnect or to obtain an Add/Drop Card from the Admissions and Records Office, complete the card, and submit it to the Admissions and Records Office. The official date of withdrawal is the date you drop your class(es) using College Connection, WebConnect or when an Add/Drop Card is submitted. If

this is not done, you may receive a grade of "F." If you withdraw from a six week class(es) by the end of the first week, the class(es) will not appear on your transcript. If you withdraw from a six week class(es) between the second and fifth week, a grade of "W" is issued. If you are still enrolled in a six week class(es) past the end of the fifth week, you will receive a grade other than a "W." (Deadline dates are listed on the calendar above.)

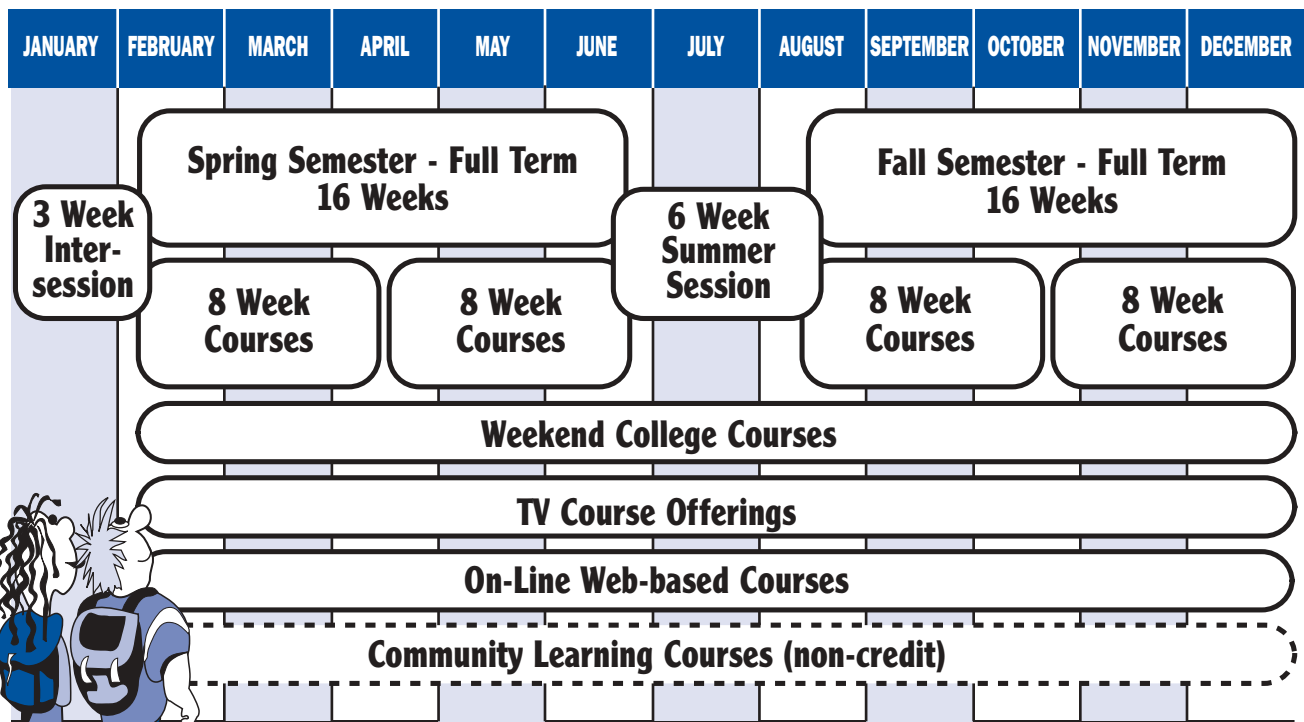

For other short-term classes contact the Admissions and Records Office for dates.

WITHDRAWAL & GRADE RESPONSIBILITY TIMELINE

Cuyamaca "Options"

WAYS TO BUILD YOUR SKILLS, TRANSFER TO A UNIVERSITY,
OR COMPLETE YOUR CERTIFICATE OR DEGREE

TELECOURSES

Earn College Credits at Home

A Telecourse is a traditional college course which is designed for television. Students meet with the instructor 5 times on campus for seminars which are held on Saturdays. Telecourses are transferable to most California colleges and universities. **A required orientation**

meeting will be held on June 22, 2002, at Cuyamaca College. Textbooks will be available for purchase in the Bookstore during the orientation. All classes are 3 units.

Students may not enroll in any two classes whose Saturday seminars are in the same time slot.

**SCI 112 (#1750)

SAN DIEGO STATE UNIVERSITY

The new easy way to transfer to UC or CSU.

See your counselor
for more information.

UNIVERSITY TRANSFER STUDIES

This degree program is designed for students who plan to transfer to the California State University or the University of California. To receive the University Studies Transfer Associate Degree, a student must complete ONE of four General Education transfer patterns: the CSU General Education Breadth, the Intersegmental General Education Transfer Curriculum (IGETC) for CSU or UC, **or** the Transfer Admission Guarantee (TAG) requirements for the University of California, San Diego. Although the degree recognizes the completion of lower division general education requirements, it does not guarantee admission to a four-year institution. Some majors and schools require a higher GPA than is necessary for the Associate Degree.

To meet requirements of the CSU General Education Breadth program, students must:

1. Complete CSU General Education Breadth for Certification pattern (see the "Transfer" section in the catalog).
2. Earn a grade of "C" or better (or CR) in 30 semester units of general education to include all courses in Area A and the Mathematical/Quantitative Reasoning course in Area B.
3. Complete a minimum of 60 degree applicable CSU transferable semester units.
4. Earn a cumulative GPA of 2.0 in all college coursework completed.
5. Meet Cuyamaca College residency requirements for graduation (see the "Admission Information" section in the catalog).

To meet requirements of the IGETC for CSU program, students must:

1. Complete the IGETC Certification pattern (see the "Transfer" section in the catalog).
2. Earn a grade "C" or better (or CR) in all IGETC courses.
3. Complete a minimum of 60 degree applicable CSU transferable semester units.
4. Earn a cumulative GPA of 2.0 in all college coursework completed.
5. Meet Cuyamaca College residency requirements for graduation (see the "Admission Information" section in the catalog).

To meet requirements of the IGETC for UC program, students must:

1. Complete the IGETC Certification pattern (see the "Transfer" section in the catalog).
2. Earn a grade of "C" or better (or CR) in all IGETC courses.
3. Complete a minimum of 60 degree applicable UC transferable semester units.
4. Earn a cumulative GPA of 2.0 in all college coursework completed.
5. Meet Cuyamaca College residency requirements for graduation (see the "Admission Information" section in the catalog).

To meet requirements of the UCSD TAG program, students must:

1. Complete the TAG core requirements (see the "Transfer" section in the catalog).
2. Complete a minimum of 60 degree applicable UC transferable semester units.
3. Meet minimum grade standards of the UCSD TAG agreement.
4. Meet Cuyamaca College residency requirements for graduation (see the "Admission Information" section in the catalog).

It is **STRONGLY** recommended that lower division preparation for the major be completed at the community college prior to transfer and be incorporated into the 60 unit degree plan. Please meet with a counselor to determine lower division major preparation since requirements change and can be complex.

Cuyamaca College's Child Development Center

*for Child Development students
and
parents of 2-5 year-olds*

see ad on page 12

Grossmont-Cuyamaca Community College District Community Learning

offers

★ Non-Credit Tuition-*Free* classes

On the Antiques Trail Painting	Exercise for Optimum Health: Stretching
Career Explorations	Physical Fitness for Life & Health for Older Adults
Customer Service Academy	T'ai Chi Ch'uan
How to Break into Radio & TV Voice-Overs	Yoga
How to Become a Notary	Food Handler's Training
Bilingual Basic Computer	Adult/Pediatric CPR & First Aid
Computers	Herbology
ESL	Nutrition for You & Yours
Environmental Health & Safety	55 Alive Driver Safety
Film Forum	How to Make Feng Shui Work for You
Long Term Care	Classics: Reading for Fun
	Math Basics Series

and *College for Kids* classes too!

➤ Check our Summer "PREVIEW" for classes!
