Business Office Technology - Flex Courses

You Take Charge of Your Own Learning "Flexibility with Responsibility"

A **Flex Course** is a self-paced, individualized course that allows you to start at any time during the first 3 weeks of the semester and to work at your own pace. Choose your own lab hours from when the BOT Flex Lab is open. To complete the course, follow the course syllabus, turn in assignments, and take tests. Individual assistance is always available.

- **First-time** BOT students (Flex Lab sections) must attend a one-hour orientation.
 - Come to room F505 during lab hours, get an orientation and start class immediately.
- **Returning** BOT students must complete Flex Lab paperwork, but do not need to attend an orientation.

Flex Lab Hours: M-W 9-9
