### SUMMER 2008 PROJECTS

There are several exciting projects scheduled to take place at Cuyamaca College during the summer of 2008. On the attached map you will find detailed information regarding the areas of campus affected and the timeframes of the projects.

The biggest impact to campus will be the closing of the Cuyamaca College Drive West entrance between Monday, June 30, 2008 and Friday, July 18, 2008. The roadway will be closed north of the entrance to the Heritage Museum and the access road to Automotive, OH, and the Warehouse. On Jamacha Blvd, vehicular traffic will be diverted to the Rancho San Diego Parkway entrance off Fury Lane.

The Bus stop will be temporarily relocated to Rancho San Diego Parkway between the Communication Arts Building and the One-Stop Student Center. Please review the attached map.

Here is a list of Summer Projects and their time frames:

1. Vehicular and Pedestrian Upgrade – (6/8/08 – 7/31/08) Shown in yellow on the attached map, this project will upgrade the current pedestrian access between parking lot 4, Bus stop, Ornamental Horticulture, and the Student Center. Parking Lot 4 will be closed for the duration of the summer.
2. Fire Barrier Landscape Project – (7/7/08 – 10/6/08) Shown in green on the attached map, this project will remove existing landscaping on the western slope of the campus and replace with new irrigation and fire resistant planting material.
3. Facilities Office Trailer Installation and Coyote's Den conversion to classrooms – (7/08 – 8/08) Shown in blue on the attached map, this project will convert the existing Coyote's Den trailer to temporary classroom space allowing the return of a leased classroom trailer. The construction trailer currently in parking lot 2 will be relocated to the maintenance yard and will be the new home for Cuyamaca's Facilities Department.
4. Bus/CIS Building Construction – (5/5/08 – 10/09) Shown in orange on the attached map, work on this new 54,000 square foot building will continue through October of 2009. Access to upper track staff parking and the fire road behind the Building F complex will reopen in early July.

If you have any questions or concerns, please call Patty in Administrative Services x4347
