

Cuyamaca Facilities

Construction Announcement

August 14, 2009

Construction of the site work required to tie the existing campus parking and walkways to the new Business & Technology site is about complete. Fencing that has been in place since June 09 is coming down and Staff / Student access will be available Monday Aug. 24th to the following areas.

- **Stairway from upper field Staff parking lot,**
- **Walkway on south Side of gymnasium,**
- **ADA ramp between the LRC and Gymnasium,**
- **North walkway access to F301, F303, F307, and Stairway to Fire Access Road.**

Please be alert to construction activities for the next two months as construction is completed.

Business & Technology construction is scheduled for completion the first week of October 2009!

Sorry for any inconvenience this has caused.
