Cuyamaca College

Our spectacular Rancho San Diego campus is second to none. As you walk on the paved area of the campus just outside the Student Center, you may notice 13 words etched into the concrete. They are the values that make up “The Cuyamaca Way,” and we all try to live up to them every day. As you walk by those words – “beautiful, collaborative, dedicated, innovative, integrity, teamwork, vision, welcoming, student-centered, community, excellence, passionate, friendly” – think of them as a reminder of what we aspire to at all times at Cuyamaca College.

In addition to our extensive course offerings, Cuyamaca College provides a rich campus life. Be sure to explore our array of student clubs and organizations, athletics, student government, and campus events. Getting involved is a great way to meet new people and have some fun!

My hope is that you will have an experience here at Cuyamaca College that will be remembered for the rest of your life. Please let me know if there is anything that we can do to assist you. We are here to help!

### USER ID AND PASSWORD

Your User ID and Password are needed to access WebAdvisor. Your User ID is generally your firstname.lastname (all lowercase), and your password is initially your birth date (MMDDYY). You will be prompted to change your password the first time you log in.

### PRIORITY WAIT LISTS

Wait lists for all classes begin the instant that classes close due to full enrollment. Once the class begins, wait lists are no longer available. Students cannot add themselves to a wait list before their registration appointment date. Students are added to the wait list for a class on a first-come, first-served basis. If seats become available, the students on the wait list will automatically be enrolled into the class. Students will be billed immediately once the student is successfully registered into the class.

Students cannot be placed on a wait list for class if they are already enrolled in another section of the same class. Also, students cannot be placed on a wait list for more than one section of the same class. If a wait list is full, the student will not be able to add themselves to the list.

On the first day of class, instructors will determine the number of open seats. Spaces will be offered to students who are on the wait list in the order that names were added to the wait list. **Be sure to attend the first class meeting** to obtain an add code/authorization code.

WITHDRAWALS AND REPAYMENT OF FINANCIAL AID FUNDS
Effective July 1, 2000, students receiving federal financial aid who withdraw from all of their classes during the first 60% of a term may be required to repay a portion of the federal grants they have received. This is because a student must “earn” their financial aid. Financial aid is “earned” for each day you are enrolled in the semester. Students who stay in classes until 60% of the term is completed will not owe anything back to the federal government. Please note: If you fail all of your classes in a term, you will have only earned 50% of the Pell and/or SEOG that you received and you will be billed for the amount you did not earn. This rule applies even if you were enrolled in classes for the whole term. If you are required to repay funds to the federal government, you will be billed and will have 45 days to repay the funds in full. You will be ineligible for any further financial aid at any college in the United States until you have repaid the funds in full.
