CALL TO ORDER:
Approval of Minutes: Senators expressed “serious” concern regarding the placement of the new building. February 26, 2015 approved—passed unanimously. (Nette/Curtis)

President’s Report
A. Announcements
   • President Mark Zacovic announced his retirement as of June 30th; Chancellor Miles proposes an interim president for one year, starting fall 2016 to address staffing analysis, enrollment management, and issues of structural organization before installation of permanent president. Senate discussed the merits of proceeding for one year with an interim president versus hiring a permanent president before the 2015-2016 school year. Discussion included consideration of time line for presidential search at Grossmont College and the possibility of streamlining the presidential search processes within the district by combining applicant search pools.
   • New building concerns shared with Chancellor Miles. The Grand Lawn will be marked to identify where the proposed building will be located. Chancellor has put building on hold to make an informed decision about its location.

B. District and College Council Updates
   • According to DSPBC, combined state budget recalculation for the fiscal years 2012-2013 and 2013-2014 resulted in $3.2 million in additional funding to the district; the colleges will receive their percentages, and Cuyamaca’s funds will cover structural deficit for this academic year.
   • BAT (Budget Allocation Taskforce) discussed budget balancing strategies and the allocation of growth funds. A demographic study completed by Hanover Research has determined Cuyamaca will grow by 1% by 2020. The current resource allocation formula provides 70% of district funds for Grossmont and 30% for Cuyamaca, with additional economy of scale funds. The Chancellor now proposes eliminating the economy of scale and assigning the 1% growth moneys to Cuyamaca, which, she believes, will be beneficial for relations between Grossmont and Cuyamaca.

   • Paul Carmona was elected as Vice President, Lindy Brazil for Full-Time Officer at Large, and Seth Slater for Part-Time Officer at Large. All were elected by simple majority.

accepted.
