

Dear Cuyamaca Staff, Faculty and Friends,

We are quickly approaching the annual EOPS/CARE Single Parent Holiday Celebration to be held on Friday, December 9, 2005. The Marine Corps Reserve, Toys for Tots Program is providing gifts for children less than 14 yrs of age. However, there exists an unmet need.

Because EOPS/CARE funds cannot be used in events such as these, we turn to you, our Cuyamaca family, to assist us with donations. We are in need of cash donations, gift cards, holiday wrapping paper, spa items such as: soaps, lotions, sponges, footies, candles and packaged teas, to make our CARE students feel special. As well, keep in mind that there is always a shortage of gifts for children from ages 11-14, so please feel free to help us by donating gifts for this age group.

We cordially extend an invitation to you to drop by the EOPS/CARE office on Friday December 16th to assist in the wrapping of gifts and share in the spirit of the season with the Special Funded Program staff. For questions, please call CARE staff at 4293.

Your kindness is appreciated!
