History Channel - free streaming video clips & episodes

<http://www.history.com/video.do?action=home>

- ⦿ Google “history channel video”

Hulu is an online video service that offers hit TV shows, movies and clips from more than 100 content providers, including NBC Universal, MGM, FOX, Sony Pictures Television, Warner Bros and more. Hulu is *free* and *legal* through an advertising supported model, and acquires the rights to distribute its videos, making them available to users legally. Closed captioning is available for some of their videos.

<http://www.hulu.com>.

Some of the programs available on Hulu are:

- ⦿ NOVA
- ⦿ National Geographic Specials
- ⦿ Discovery Channel
- ⦿ Biography
- ⦿ Empires
- ⦿ The Universe

- ◎ Carl Sagan's Cosmos
- ◎ Super Size Me
