Your 2015–2016 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected.

What you should do:

• Fill out all sections of this form, sign it and return it to the Cuyamaca College Financial Aid Office.
• Submit all other required documents to the Cuyamaca College Financial Aid Office.
• Complete this process as soon as possible so that your financial aid will not be delayed.
• If you have any questions about filling out this worksheet, talk to someone in the Financial Aid Office.
