

AUTOMOTIVE SKILLS DAY

The Cuyamaca College Automotive Technology Department is pleased to announce the longest running Automotive Skills Day competition in San Diego County (since 1979). The Skills Day committee has created a great competition and prizes for all of the participating students. Instructors and competing students' families are

encouraged to attend.

We are including all high schools for this event. We have designed this event to include all students for articulation into our CTE Automotive Programs. We will demonstrate STEM through fun interactive activities.
