Kumeyaay commendations:

- Adjunct Faculty has devoted time and energy to understand program needs and SLO assessment process.
- While there are no full-time faculty member serving in Kumeyaay in S2019, there has been significant achievement due to the work of the adjunct faculty. (New hire in Fall 2019)

Kumeyaay recommendations:

- Based on data, consider innovative ways to increase student enrollment in Kumeyaay courses.
- Innovative partnership between Kumeyaay Community College and San Pasqual reservation seems to be successful. PRSC looks forward to learn more about this partnership, especially if it can include Cuyamaca.
- explore how your equity gap doesn't exist and share results with campus.
