Page 1: For Annual Planning/Program Review Requests

Q1 Technology Plan Year **2019-2020**

Q2 Title of Request

Monitor Arms

Q3 Location of Request

E-210 and E-206

Q4 Discipline

CIS

Q5 Department

CIS

Q6 Contact Person

Name	**Curtis Sharon**
Email Address	**curtis.sharon@gcccd.edu**

Q7 DescriptionPlease provide a brief description of the technology/software or technology project and its core goal(s).

Replace monitor arms for instructor stations.

Page 2: Proposal Justification

Q8 Please explain how the technology or enhancement supports the strategic plan. Include information on how students will be impacted and/or employees or the college or district overall. Consider whether this would this be a district-wide implementation.Which Strategic Plan priority (or priorities) are supported by this request? To access the Strategic Plan, please click here.

Student Validation and Engagement

Q9 How does the request support the above priorities?

If instructors don't have monitors, courses cannot be taught.

Q10 Who would this impact? Please select all that apply.

Students, Employees

Q11 How would this impact the above group(s)?

Teachers need working monitors to be able to project course content to students.

Q12 Does the technology support a state-wide initiative or is it a legal mandate or in support of a legal mandate?

No

Q13 If yes, please explain how the technology supports a state-wide initiative or is it a legal mandate or in support of a legal mandate?

Respondent skipped this question

Q14 Please be aware that projects, once approved, are typically scheduled 6 months to a year in advance. Consider the consequences if the technology/software is not implemented, upgraded or renewed.What are the consequences if the technology/software is not implemented/upgraded, or renewed? Examples: Security concerns, loss of FTES, mandates, accreditation, etc.

Current monitor arms are not able to adequately support the monitors. Monitors may break if not supported.

Q15 What is the number of students impacted per semester if the technology/software is not implemented, upgraded or renewed?

300

Q16 What is your preferred time for implementation?

any time

Q17 Tell us how the data you have supports the implementation of the technology. This can be qualitative or quantitative in the form of surveys, observations, SLO or other assessment data, institutional research data or other reports and data.

Current monitor arms are not functioning properly.

Q18 Please attach any supporting data/documentation using the "Upload" button below.

Respondent skipped this question

Q19 Is the request for hardware or software?

Hardware

Q20 Is the request for new or an upgrade to existing technology?

Upgrade (replacing outdated technology)

Q21 Estimated or known total initial cost of request: This includes hardware and software maintenance, licences, taxes, fees, shipping, storage, etc.

1871

Q22 Funding Source:

General Fund

Q23 Please attach quote using the "Upload" button below.

AAAQ15450 monitor arms instructor stations 210 206 212 204 .pdf (192.8KB)

Q24 Evaluationi. How do you plan to evaluate the technology after implementation?

This will be successful if the monitors are properly held up.

Q25 Are you ready to submit your technology request?

Yes
