"The purpose of the Career and Student Employment Center is to educate students, alumni and community members in the career development process. This process includes gaining **self-knowledge**, exploring **career options**, and **developing skills** and a **plan of action** to realize individual career goals throughout their life-span. In partnership with counselors, faculty and support staff, the center provides students a means of **exploring majors and career options**. The Student Employment office assists students and alumni to develop employability skills, and to find **meaningful employment**. The Center fosters collaborations with employers and community groups to provide the link to "real world" **work opportunities** and assists students to achieve their employment goals."
