Q5 Description of Request: When making your request, please be as specific as possible and include information such as make, model, manufacturer, color, quantity, etc.

New door and lock between C-122 and the back area that houses several staff offices (C-127, C-122, etc.). We have had issues where students learn they can go out this side door and avoid the security gate, which means a loss of often expensive resources. Note – the door has been adjusted but it is still difficult to lock and unlock and is difficult to use. Also, even if we lock it, it can still be opened with a push.
