

**Student Conduct Contact Results
(November 2021)**

Data Sources and Parameters

The Student Conduct Office provided a list of students who had contact with their office in the 2020-2021 academic year. Demographic data (i.e., gender and ethnicity) were provided using the GCCCD Information System. Cuyamaca College student population data are provided as a point of reference.

Summary of Results

- Two student groups were significantly overrepresented in their contact with the Student Conduct Office
 - Middle Eastern students (21% overrepresentation)
 - White students (13% overrepresentation)
