Total Cost: \$1079.55

---

**Q8**

Respondent skipped this question

Please attach quote, if available

---

**Q9**

Total Cost of Ownership: Can this request be maintained with existing funding sources? If not, please explain your plan to maintain this request. Example: potential yearly service agreements, warranties, and replacement costs.

This request can be maintained with existing funding sources.

---

**Q10**

Justification of Request: Please select the applicable criteria(s) and provide the details of how the criteria(s) relate to your request.

**Impact on student success and access,**

Provided details::

With remote learning continuing to happen and no end in sight, we need to prepare for the possibility of having to teach remotely when we are on campus. As a result, it is essential that every computer have a webcam and microphone. Also, this will allow students additional access to their instructors through online options.

---

**Q11**

Program Goal: Please identify the program goal(s) this request would help your program achieve and provide a brief explanation of how it would do so.

This would help the Math Department achieve both of our program goals. Student success is the key to both of our program goals and ensuring faculty have access to the latest equipment is essential for the department and college to achieve these goals.

---

**Q12**

Cuyamaca values equity and our resource allocations should reflect our values. How does this request support the college's equity and anti-racist work? Or how does this request contribute to more equitable student outcomes? District's Governing Board Resolution: To view, please visit the Governing Board's site [here](#), view the June 16, 2020 meeting, and view agenda item 8.1 "Resolution No. 20-015 In Denunciation of Violence Against Black Americans and Commitment to Anti-Racism" Cuyamaca College's Academic Senate's Resolution Cuyamaca College's Equity Plan

This is not just something needed for full-time faculty, but it is equally as essential for part-time faculty. By ensuring each Math Department faculty member has the equipment needed to ensure their students' success, they can work harder to ensure more equitable student outcomes and support the college's equity and anti-racist work.
