Q9

Total Cost of Ownership:Can this request be maintained with existing funding sources? If not, please explain your plan to maintain this request. Example: potential yearly service agreements, warranties, and replacement costs.

Yes this can be maintained to include warranties.

Q10

Justification of Request:Please select the applicable criteria(s) and provide the details of how the criteria(s) relate to your request.

Health and safety,

Equipment replacement,

Critical need,

Provided details::

Old electrical golf cart has no brakes and can't be repaired. This electrical golf cart will provide access to health services and emergency response services in a timely manner. Will also assist with educational outreach services and activities on campus.

Q11

Program Goal:Please identify the program goal(s) this request would help your program achieve and provide a brief explanation of how it would do so.

Having an electrical golf cart will allow staff to meet the needs of our student population for both emergent and non emergency response issues. This vehicle will be used for outreach events that are held on campus.

Q12

Cuyamaca values equity and our resource allocations should reflect our values. How does this request support the college's equity and anti-racist work? Or how does this request contribute to more equitable student outcomes?District's Governing Board Resolution: To view, please visit the Governing Board's site here, view the June 16, 2020 meeting, and view agenda item 8.1 "Resolution No. 20-015 In Denunciation of Violence Against Black Americans and Commitment to Anti-Racism"Cuyamaca College's Academic Senate's ResolutionCuyamaca College's Equity Plan

Provide access to medical care and or education for students seeking assistance.
