Page 2: Proposal Justification

Q7

Organizational Health

Please explain how the technology or enhancement supports the strategic plan. Include information on how students will be impacted and/or employees or the college or district overall. Consider whether this would be a district-wide implementation. Which Strategic Plan priority (or priorities) are supported by this request? To access the Strategic Plan, please click [here](#).

Q8

How does the request support the above priorities?

This will optimize college practices and procedures to advance the departments priorities for assisting students. It will give access students to apply to universities.

Q9

Students,

Who would this impact? Please select all that apply.

College

Q10

What is the number of students or employees impacted per semester?

1000

Q11

How would this impact the above group(s)?

TC provides workshops to students helping them to apply to various universities using an online application. Having laptops allows students who do not have access to technology to apply to the universities.

Q12

No

Does the technology support a state-wide initiative or is it a legal mandate or in support of a legal mandate?

Q13

If yes, please explain how the technology supports a state-wide initiative or is it a legal mandate or in support of a legal mandate?

N/A

Q14

Please be aware that projects, once approved, are typically scheduled 6 months to a year in advance. Consider the consequences if the technology/software is not implemented, upgraded or renewed. What are the consequences if the technology/software is not implemented/upgraded, or renewed? Examples: Security concerns, loss of FTES, mandates, accreditation, etc.

The computers may not be able to have access to new software which will be hinder student's access and success.

Q15

What is your preferred time for implementation?

As soon as possible.

Q16

Tell us how the data you have supports the implementation of the technology. This can be qualitative or quantitative in the form of surveys, observations, SLO or other assessment data, institutional research data or other reports and data.

According to Cuyamaca College wide data, 11,772 students indicated transfer as their goal for 2019-2020 academic year. Having technology will allow TC to serve students more efficiently.

Q17

5

Please specify the grant that will fund the technology you are requesting.

Page 5: Evaluation Plan

Q25

Evaluationi. How do you plan to evaluate the technology after implementation?

Reviewing the effectiveness and quality of service students are receiving and how many students have used the lap tops.

Page 6: Type of Request

Q26

Yes

Is this an Off-Cycle Request (e.g., not part of the annual planning/program review process)?

Page 7: Off-Cycle Requests Only

Q27

What are the exigent circumstances and/or contributing factors that would qualify this request to be eligible for Off-cycle consideration? Please explain why this request cannot wait until the next annual planning cycle.

TC had 10 laptop computers in 2019-2020 year. However, due to COVID-19, all laptops were given to faculty throughout the campus in spring 2020.
