Change in % of those who Agreed/Strongly-Agreed with the statement and those who Disagreed/Strongly-Disagreed with the statement.

Q: Shared power in a relationship causes conflict and often leads to sexual violence.

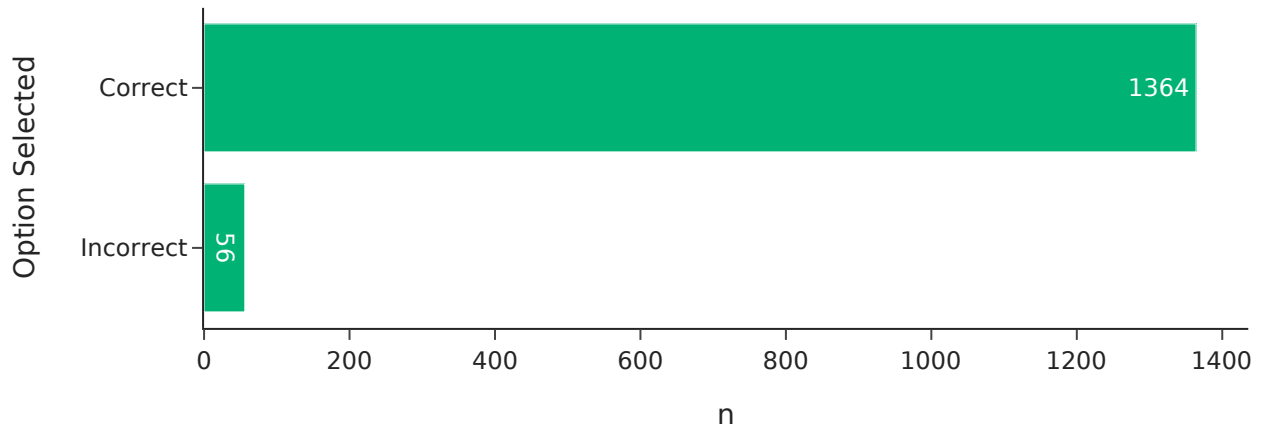

Q: When it comes to sexual activities, consent is implied when you are in a committed relationship.

Q: Consent is granted on a case by case basis, consent for one activity does not mean consent for another activity.

Q: We can challenge rape culture by speaking out against non-consensual interactions.

Q: Victim blaming is a significant contributor to maintaining rape culture.
