**Pathway Academy Comparison Report**  
**2018**

**Report Description**

This report compares the demographics and outcomes of first-time Pathway Academy students to first-time, full-time students with similar socio-economic backgrounds at Cuyamaca College. Two cohorts of Pathway Academy and comparison students were included: a fall 2016 cohort and a fall 2017 cohort. Below you will find a short description of each group of students being studied, as well as a basic comparison of student demographics. This is followed by a comparison of various student outcomes, which are then disaggregated by gender and ethnicity.
