

STEM

Academic & Career Pathway

First Semester Map Suggested Initial Coursework

This First Semester Map is a suggested start for students interested in majors within the STEM Academic & Career Pathway (ACP). This suggested initial coursework will guide you ***through the first semester*** as you explore specific major requirements and solidify your educational goal. Depending on your exact major and long-term goals, your course plan may vary. Visit department web pages for more program information and preview degree maps. A part of your path to success is meeting with a Counselor to develop your own personalized, Comprehensive Education Plan (CEP).
