

Cuyamaca College Botanical Society

2023 Scholarship Application

Introduction:

Each year the Cuyamaca College Botanical Society (CCBS) awards scholarships to outstanding horticulture students who are continuing their pursuit of higher education in horticulture. These scholarships are funded by activities and functions sponsored by CCBS. Funding support also comes from donations by garden clubs, professional organizations, industry, alumni, and individuals. Scholarships are available for students majoring in any of the eight Ornamental Horticulture (OH) programs at Cuyamaca, or the Water Resources Management major in the Center for Water Studies program.

Qualifications:

Any student who meets both of the following conditions:

1. Completed a minimum of three (3) units of OH course work at Cuyamaca by end of Fall Semester 2022.
2. Enrolled in a minimum of one (1) OH class at Cuyamaca College, or three (3) units of any course work at Cuyamaca or Grossmont College during the Spring 2023 semester.

DUE DATE: Friday, April 14, 5:30 pm.

Late or incomplete applications will not be accepted. Email scanned completed application packets to amy.huie@gcccd.edu

SCHOLARSHIP RESTRICTIONS: Students are limited to receiving scholarships at a maximum of four (4) OH Scholarship Banquets. (Years are not required to be consecutive).

APPLICATION REVIEW: All applications are reviewed and ranked by three members of the Cuyamaca College faculty and administration outside of the OH Department. These rankings, along with scholarship donor preferences are used to award scholarships. Depending on the number of applicants versus scholarships available, some applicants may not receive a scholarship based on their score.
