\*Hybrid: Class time is split into two parts. There are required meetings for one part whereas the other part is done asynchronous (time you spend working on your own through given activities). This is in addition to time needed to complete regular homework assignments.

\*\*A late start class is one that starts after the first week and is a shorter number of weeks. Most late start classes are 12 or 14 weeks. This means the same amount of material will be covered in a shorter period of time.

^Zoom: This class will have required meetings via Zoom on the days & times listed in the schedule.

^^In-person: This will meet on campus, in-person during the days & times listed in the schedule.

^^^Online: This class has no official class meeting times.
