A *prerequisite* is a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program.

A *corequisite* is a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course.

An *advisory or recommended preparation* is a condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.

Limitations on enrollment are conditions for enrollment in Honors courses or courses which include public performance or intercollegiate competition.

All courses shall be open for enrollment to any student who has been admitted to the college, except that students may be required to meet necessary and valid prerequisites. In addition, the District may also limit enrollment in a course based on health and safety considerations, facility limitations, or legal requirements imposed by statute or regulations.

COURSE PREREQUISITES

Cuyamaca College fully enforces prerequisites and corequisites for all courses as stated in the [college catalog](#). Prerequisite courses taken at other colleges are not automatically cleared and must be requested by the student two weeks (10 business days) prior to your registration date. Please note: Courses taken at Cuyamaca or Grossmont College are automatically used to clear prerequisites where appropriate.

For assistance in clearing a prerequisite, students should contact the **Placement Center**. Prerequisites may be cleared through the following two options:

 - You have taken an equivalent course at another college and have the appropriate documentation, i.e., transcripts, grade reports, AP/IB test scores.
 - You have successfully passed an appropriate Advanced Placement, International Baccalaureate or CLEP exam.

II. To clear a prerequisite based on criteria other than course work, this is known as "challenging a prerequisite." The challenge process is designed for students who believe they have met a course prerequisite through means other than what is listed above. You may challenge a prerequisite based on one or more of the following:

1. You have acquired through work or life experiences the skills and knowledge that is presupposed in terms of the course or program for which it is established.
2. You will be subject to an undue delay in attaining the goal in your educational plan because the college has not made the prerequisite or co-requisite course reasonably available.
3. You can demonstrate that you do not pose a threat to yourself or others in a course that has a prerequisite established to protect health and safety.
4. The prerequisite has not been established in accordance with the District's process for establishing prerequisites and corequisites, and has not been established in accord with Title 5.
5. The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.

Prerequisite Clearance/Challenge Process:

1. Fill out and complete the "Prerequisite Clearance/Challenge Form" located in the **Placement website**.
2. Attach any supporting documentation to your form when submitting your petition.
3. You will be notified within five (5) working days from the date the form is submitted regarding the result of your petition.

WITHDRAWALS AND REPAYMENT OF FINANCIAL AID FUNDS

Effective July 1, 2000, students receiving federal financial aid who withdraw from all of their classes during the first 60% of a term may be required to repay a portion of the federal grants they have received. This is because a student must "earn" their financial aid. Financial aid is "earned" for each day you are enrolled in the semester. Students who stay in classes until 60% of the term is completed may not owe anything back to the federal government. **Please note: If you fail all of your classes in a term, you will have only earned 50% of the Pell, SEOG or loan that you received and you will be billed for the amount you did not earn.** This rule applies even if you were enrolled in classes for the whole term. If you are required to repay funds to the federal government, you will be billed and will have 45 days to repay the funds in full. You will be ineligible for any further financial aid at any college until you have repaid the funds in full.

PARKING & TRAFFIC REGULATIONS

All vehicles must have a valid college parking permit while parked on campus property. The responsibility of finding a legal parking space, as well as knowing where and when a parking permit is valid, rests with the vehicle operator and/or owner. The purchase of a parking permit does not guarantee a space to park. For the safety of the college community, all California Vehicles Codes are enforced. All community members (students, staff, faculty, and visitors) are primarily responsible for their own safety and property. For further information, contact the Campus and Parking Services at (619) 644-7654.

STUDENT AND VISITOR PARKING PERMITS

Student parking permits are required Monday through Saturday. Student and visitor parking spaces are free on Sunday. Parking permits are only valid in student and visitor spaces. California parking regulations are enforced year-round, including during holidays, spring break, weekends, and summer sessions. Restrictions include, but are not limited to, parking in a fire lane, staff parking, disabled placard misuse, and timed spaces. Vehicle owners are solely responsible for any loss, damage, or theft that occurs to their vehicle while parked on District property. All vehicles must be parked between two demarcated lines, and overnight parking is not permitted on campus after 11:00 p.m. Student parking permits may be purchased through student self-service or on the Public Safety webpage. Visitor permits may be purchased using the link on the Public Safety webpage: <https://www.gcccd.edu/public-safety/>.

Refunds for Parking Permits - You must return your permit within the refund deadline of your class/es to receive a refund. We will process your transaction and you will receive a credit to your card from Phoenix Group.

SEXUAL HARASSMENT

Legal Background: Guidelines of Title VII of the Civil Rights Act focus upon sexual harassment as an unlawful practice. "Sexual harassment like harassment on the basis of color, race, religion or national origin, has long been recognized by the Equal Employment Opportunity Commission as a violation of Section 703 of Title VII of the Civil Rights Act as amended" (Federal Register, April 11, 1980). Interpretation of Title IX of the Education Amendments similarly delineates sexual harassment as discriminatory and unlawful.

Definition: Sexual harassment is defined in GCCCD Policy 3430 as the following: Unwelcome sexual advances, requests for sexual

favours, and other verbal, visual, or physical conduct of a sexual nature made by someone from, or in, the work or educational setting when:

- Submission to the conduct is made a term or condition of an individual's employment, academic status, or progress;
- Submission to or rejection of the conduct by the individual is used as a basis of employment or academic decisions affecting the individual;
- The conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile or offensive work or education environment; or
- Submission to or rejection of the conduct by the individual is used as the basis for any decision affecting the individual.

Process: Complaints must be filed within 180 days of the date the alleged unlawful discrimination occurred, except that this period shall be extended by no more than 90 days following the expiration of the 180 days if the complainant first obtained knowledge of the facts of the alleged violation after the expiration of the 180 days (California Code Regulations, Title 5, Section 59328e).

If the alleged harasser is a student, initial action on the complaints shall be the joint responsibility of the Dean, Student Engagement & Belonging, and the Director of Employee and Labor Relations.

If the alleged harasser is an employee, initial action on the complaint shall be the joint responsibility of the employee's immediate supervisor and the Director of Employee and Labor Relations.
