Revisions and corrections to the Advanced Placement Chart for the 2017-2018 catalog\*

**Advanced Placement (AP)**

As indicated in the chart at right, credit is awarded for AP examinations passed with a score of 3 or above. Credit may be applied to specific general education areas (third column) and fulfill major courses (fourth column). Elective units are granted for examinations that do not fit into general education areas and/or fulfill major courses. In the Grossmont-Cuyamaca Community College District, the manner in which credit is awarded mirrors the California State University General Education (CSU GE) Breadth certification. Transfer students should check the catalog of the four-year institution to see how AP credits are awarded outside of general education (how credits are applied to major coursework). For the chart below, the following definitions apply:

**GCCCD** = Grossmont-Cuyamaca Community College District

**CC** = Cuyamaca College

**GC** = Grossmont College

**CSU** = California State University General Education Breadth Certification

**UC** = University of California

**IGETC** = Intersegmental General Education Transfer Curriculum

**CCC** = California Community College General Education Advanced Placement (minimum units)
