

The Water & Wastewater Technology
Program Invites you to Join the
**Cuyamaca College AWWA
Student Chapter**
of the American Water Works
Association, California-Nevada Section

Members plan and participate in a variety of events, such as:

- Plan tours of water treatment facilities, utilities, etc.
- Field trips to CA-NV AWWA conferences and events.
- Invite guest speakers to discuss current industry topics.
- Discounts on AWWA training and educational material.
- Discussions on the training students need for careers in water.
- Plan social functions (lunches, dinners, movie nights, picnics, etc.)
- Network with other professionals working in the water industry.
- Special discount student membership fees to join AWWA

Join Today!
