

Cuyamaca College Participatory Governance Structure

With an emphasis on function, three re-envisioned or new councils were proposed...

Planning and Evaluation: Developing plans and goals at any level (college, division, unit), evaluating progress toward goals, advancing data-informed decision-making

Implementation: Focused on carrying out college-wide, division-level, or other initiatives

Operations: Developing and carrying out operational practices/processes related to facilities, budget, personnel, technology and other resources
