As you will no doubt find, Cuyamaca College is your extended family where everyone here is dedicated to your success and making sure you reach your goals.

Cuyamaca College has been transforming the lives of our students since we first opened our doors in the fall of 1978, and we have an extensive array of activities celebrating our anniversary throughout the year. Indeed, in addition to our award-winning course offerings and student support services, Cuyamaca College is an Hispanic Serving Institution, providing a rich campus life imbued with cultural awareness. So while you’re here, enjoy listening to some of the world’s leading classical musicians through the new ECHO Chamber Music Series at the Samuel M. Ciccati Performing Arts Center. Take part in our ongoing series of topical discussions through the Diversity Dialogues. Visit the Heritage of Americas Museum. Be inspired by the Water Conservation Garden.

Welcome to Cuyamaca College! We are delighted that you have decided to explore your higher education options with us. Just follow these simple steps to enroll at the most beautiful community college in the region.

And remember: we are here to support you in every way possible.

**Step 1 - Apply Online**

Before you can register for classes, you must fill out an application to the college. This can be done online and it is free. **Apply now!**

You will receive an email when your application is processed. For more information about applying visit the [Admissions and Records](https://www.cuyamaca.edu/services/admissions/default.aspx) website. See the [Academic Calendar](https://www.cuyamaca.edu/services/records/default.aspx) for important deadlines.

The following items can be done while your application is being processed.

- If you have attended another college, have your official transcripts or documents sent to the [Transcripts office](https://www.cuyamaca.edu/services/records/default.aspx) at Cuyamaca College to clear prerequisites, and to award prior credit for degrees and certificates. Official transcripts and scores must still be in the sealed official envelope if you are submitting them in person.
- If you took AP classes in high school, please have the [College Board](https://www.cuyamaca.edu/services/records/default.aspx) send your test scores to the [Transcripts office](https://www.cuyamaca.edu/services/records/default.aspx).

**Step 2 - Priority Registration (optional)**

- Previous college work or AP credit - Send in official transcripts!
- Take an assessment test

**C. COMPLETE ONLINE ADVISING**

If you are exempt from taking the Assessment, and have course work from another institution and your transcripts have been sent, you may see a counselor.

- Login to WebAdvisor
- Click Students
- Under Orientation/Assess/Advising, click Step Three - Online Advising

See the [Counseling website](https://www.cuyamaca.edu/services/counseling/default.aspx) for more information.

**PREREQUISITES, COREQUISITES, RECOMMENDED PREPARATIONS, AND LIMITATIONS ON ENROLLMENT**

A prerequisite is a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. A corequisite is a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. An advisory or recommended preparation is a condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.

**Limitations** on enrollment are conditions for enrollment in Honors courses or courses which include public performance or intercollegiate competition. All courses shall be open for enrollment to any student who has been admitted to the college, except that students may be required to meet necessary and valid prerequisites. In addition, the District may also limit enrollment in a course based on health and safety considerations, facility limitations, or legal requirements imposed by statute or regulations.

**COURSE PREREQUISITES**

Cuyamaca College fully enforces prerequisites and corequisites for all courses as stated in the college catalog. Prerequisite courses taken at other colleges are not automatically cleared and must be requested by the student two weeks (10 business days) prior to your registration date. Please note: Courses taken at Cuyamaca or Grossmont College are automatically used to clear prerequisites where appropriate. Prerequisites may be cleared through the following two options:

I. To clear a prerequisite based on course work:
   - You have an English and/or math assessment test.
   - You have successfully passed an appropriate Advanced Placement, International Baccalaureate or CLEP exam.
   - You have an English and/or math assessment test from another local area college.

II. To clear a prerequisite based on criteria other than course work, this is known as “challenging a prerequisite.” The challenge process is designed for students who believe they have met a course prerequisite through means other than what is listed above. You may challenge a prerequisite based on one or more of the following:
   1. You have acquired through work or life experiences the skills and knowledge that is presupposed in terms of the course or program for which it is established.
   2. You will be subject to an undue delay in attaining the goal in your educational plan because the college has not made the prerequisite or co-requisite course reasonably available.
   3. You can demonstrate that you do not pose a threat to yourself or others in a course that has a prerequisite established to protect health and safety.
   4. The prerequisite has not been established in accordance with the District’s process for establishing prerequisites and co-requisites, and has not been established in accord with Title 5.
   5. The prerequisite or co-requisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.

**Withdrawals and repayment of financial aid funds**

Effective July 1, 2000, students receiving federal financial aid who withdraw from all of their classes during the first 60% of a term may be required to repay a portion of the federal grants they have received. This is because a student must "earn" their financial aid. Financial aid is "earned" for each day you are enrolled in the semester. Students who stay in classes until 60% of the term is completed may not owe anything back to the federal government. Please note: If you fail all of your classes in a term, you will have only earned 50% of the Pell, SEOG or loan that you received and you will be billed for the amount you did not earn. This rule applies even if you were enrolled in classes for the whole term. If you are required to repay funds to the federal government, you will be billed and will have 45 days to repay the funds in full. You will be ineligible for any further financial aid at any college until you have repaid the funds in full.

**SEXUAL HARASSMENT**

Legal Background: Guidelines of Title VII of the Civil Rights Act focus upon sexual harassment as an unlawful practice. “Sexual harassment like harassment on the basis of color, race, religion or national origin, has long been recognized by the Equal Employment Opportunity Commission as a violation of Section 703 of Title VII of the Civil Rights Act as amended” (Federal Register, April 11, 1980). Interpretation of Title IX of the Education Amendments similarly delineates sexual harassment as discriminatory and unlawful.

Definition: Sexual harassment is defined in GCCCD Policy 3430 as the following:

Unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature made by someone from, or in, the work or educational setting when:

- Submission to the conduct is made a term or condition of an individual’s employment, academic status, or progress;
- Submission to or rejection of the conduct by the individual is used as a basis of employment or academic decisions affecting the individual;
- The conduct has the purpose or effect of having a negative impact upon the individual’s work or academic performance, or of creating an intimidating, hostile or offensive work or education environment; or
- Submission to or rejection of the conduct by the individual is used as the basis for any decision affecting the individual.

Process: Complaints must be filed within 180 days of the date the alleged unlawful discrimination occurred, except that this period shall be extended by no more than 90 days following the expiration of the 180 days if the complainant first obtained knowledge of the facts of the alleged violation after the expiration of the 180 days (California Code Regulations, Title 5, Section 59328e).

If the alleged harasser is a student, initial action on the complaints shall be the joint responsibility of the Dean, Student Affairs, and the Director of Employee and Labor Relations.

If the alleged harasser is an employee, initial action on the complaint shall be the joint responsibility of the employee’s immediate supervisor and the Director of Employee and Labor Relations.
