- UC transferability decisions are typically returned no later than October (following submission).
- Any UC transferability approvals would be effective in the semester we gain approval (courses submitted August 2021 will be effective Fall 2021, if approved).
- Once we have UC transferability, the course can be submitted for IGETC consideration.
- Both CSU and IGETC submissions take place once per year in December.
- CSU and IGETC decisions are typically returned in April and go into effect the following Fall semester (courses submitted in December 2021 will be effective Fall 2022).
- If approvals come after the college catalog is distributed, information will be published in a catalog addendum.
