Committee Appointments Review: Fall 2021 to Now

Total Number of Applications Starting Fall 2021: 277

Ineligible* or Withdrawn Applications: 17

- *Such as, someone from Grossmont applying or someone from another division applying for a division-specific role)

Additional Context:

- For the VPI and College President committees combined, we had a total of 15 applications.
 - That’s about 5% of our total applications.
 - Combined, both committees had 3 spots for faculty appointments.
- I haven’t added up the total number of committee seats that have been advertised since several of them have moved forward without faculty representatives because we didn’t get any volunteers. Most of the committees that don’t receive are for District positions and a lot of the non-admin positions—we sometimes even have trouble filling faculty committees.
