BP 4010 Academic Calendar

References: **Education Code Section 70902(b)(12);
Title 5 Sections 55720-55732**

Adoption Date: December 18, 2001 Updated:

NOTE: *The work year calendar is a mandatory subject of bargaining under Government Code Sections 3540 et seq. and must be negotiated in those districts where the faculty are represented by an exclusive representative and negotiate a collective bargaining agreement.*

The Grossmont-Cuyamaca Community College District (District) Chancellor shall, in consultation with the appropriate constituent groups (including, but not limited to, the Academic Senates, bargaining units, administrative representatives from student services and instructional units), develop and submit an academic calendar to the Governing Board for approval. The academic calendar may include flexible calendar days for professional learning activities as authorized or required by Title 5. Calendar development should also consider administrative workload, operational needs, continuity of student services, and the impact of flexible calendar days.
