

Part-Time Faculty Officer-at-Large

Name: Hanaa Alkassas

I would like to nominate myself for part-time faculty officer at large. I have been in this position for a year, and during that time, I have represented part-faculty, like myself, at Cuyamaca College. I believe this role has opened my eyes to be a more active participant in the college, which helps me to support the students and my colleagues. One example of this is the Arabic book for beginners I am working on with an ASCC-OERI grant. I learned more about this opportunity in this role and was able to implement the college mission and vision in a proactive solution to an access problem I witnessed. I feel that being in this role for one year is not enough and I believe that giving me another year will help me in continuing to support the college community.
