The name(s) of the nominee(s):

Emma Laraby

I wish to nominate myself to serve on the Academic Senate: Part-time faculty – At Large. I'd like to actively participate in the decisions that contributes to our academic and professional lives by researching for solutions, supporting and or suggesting ideas, getting involved and do the best I can to help serve the community. Currently I am an adjunct faculty and I teach Graphic Design classes. I am also participating at the curriculum committee. In addition to that, I am a Cuyamaca Alumni.

Below is a picture of me teaching how to draw on the monitor in the Graphic Design Lab:

Also, here's a work done by me that was recognized by the college. It was a poster design for the Student Art and Design Exhibition:
