

16 February 2023

To the Cuyamaca College Academic Senate,

My name is David Lizárraga and I hereby nominate myself for the Part-Time Instructional Faculty Senator for the 2023 Spring Semester. I am part of the adjunct faculty at Cuyamaca College and have been teaching within the biology department for two years. I am currently serving on the Outcomes and Assessments Committee as one of the Math, Science, and Engineering representatives, and I am currently participating in the Equity Minded Teaching and Learning Institute's (EMTLI) 2022/2023 cohort. I am deeply passionate about instruction at Cuyamaca and I am eager to serve as the Academic Senate's Part-time Faculty for Instruction.

Please let me know if I can provide any additional information to support this nomination.

Sincerely,

A handwritten signature in black ink, appearing to read 'DL', with a long, sweeping flourish extending to the right.

David Lizárraga, Ph.D.
Adjunct Instructor
Biology Department, Cuyamaca College
