CUYAMACA COLLEGE 2019-2020 DEPENDENT STUDENT VERIFICATION WORKSHEET

Your 2019–2020 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. What you should do:

- Fill out all sections of this form, **EXCEPT SECTION 3**, and return it **IN PERSON** to the Cuyamaca College Financial Aid Office.
- Submit all other required documents to the Cuyamaca College Financial Aid Office.
- Complete this process as soon as possible so that your financial aid will not be delayed.
- If you have any questions about filling out this worksheet, talk to someone in the Financial Aid Office.

Section 1 – High School Completion Status

Provide one of the following documents that indicates your high school completion status when you begin college in 2019–2020:

- A copy of your high school diploma.
- A copy of your final official high school transcript that shows the date when the diploma was awarded.
- A copy of your General Educational Development (GED) certificate, an official GED transcript that indicates that you passed the exam, or a state-authorized high school equivalent certificate.
- If you completed secondary education in a foreign country then provide verification that your high school document is a U.S. equivalency. Credential evaluation agencies can be obtained at www.naces.org.
- An academic transcript that indicates that you successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree.
- If State law requires a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a copy of that credential.
- If State law does not require a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a transcript or the equivalent, signed by your parent or guardian, that lists the secondary school courses you completed and documents the successful completion of a secondary school education in an approved homeschool setting.
