Water Distribution

Fundamentals of Water & Wastewater

- CWS 107 Safety in Water and Wastewater
- CWS 102 Calculations in Water and Wastewater
- CWS 101 Fundamentals of Water and Wastewater
- CWS 100 Career Pathways in Water & Wastewater

Level 1 Basic

- CWS 134 Pumps, Motors, and Valves
- CWS 130 Water Distribution Systems
- CWS106 Electric & Instrumentation Process

Prepares Students for SWRCB D1-D2 Exams

Level 2 Advanced

- CWS 230 Adv. Water Distribution Systems
- CWS 204 Applied Hydraulics
- CWS 110 Lab Analysis for Water & Wastewater

Prepares Students for SWRCB D3-D5 Exams

Water Treatment

Fundamentals of Water & Wastewater

- CWS 107 Safety in Water and Wastewater
- CWS 102 Calculations in Water and Wastewater
- CWS 101 Fundamentals of Water and Wastewater
- CWS 100 Career Pathways in Water & Wastewater

Level 1 Basic

- CWS112 Water Treatment Plant Operations
- CWS 110 Lab Analysis for Water & Wastewater
- CWS106 Electric & Instrumentation Process

Prepares Students for SWRCB T1-T2 Exams

Level 2 Advanced

- CWS 212 Adv. Water Treatment Plant Operations
- CWS 204 Applied Hydraulics
- CWS 134 Pumps, Motor, Valves

Prepares Students for SWRCB T3-T5 Exams

Wastewater Collection Systems

Fundamentals of Water & Wastewater

- CWS 107 Safety in Water and Wastewater
- CWS 102 Calculations in Water and Wastewater
- CWS 101 Fundamentals of Water and Wastewater
- CWS 100 Career Pathways in Water & Wastewater

Level 1 Basic

- CWS232 Adv. Wastewater Collection Systems
- CWS 134 Pumps, Motor, Valves
- CWS 132 Wastewater Collection Systems

Prepares Students for CWEA Grade 1-2 Collections

Level 2 Advanced

- CWS 232 Adv. Wastewater Collection Systems
- CWS 204 Applied Hydraulics
- CWS 106 Electrical & Instrumentation Processes

Prepares Students for CWEA Grade 3-4 Collections

Wastewater Treatment

Fundamentals of Water & Wastewater

- CWS 107 Safety in Water and Wastewater
- CWS 102 Calculations in Water and Wastewater
- CWS 101 Fundamentals of Water and Wastewater
- CWS 100 Career Pathways in Water & Wastewater

Level 1 Basic

- CWS 114 Wastewater Treatment Plant Operations
- CWS 110 Laboratory Analysis for Water Wastewater
- CWS106 Electric & Instrumentation Process

Prepares Students for SWRCB Grade 1-2 Exams

Level 2 Advanced

- CWS 214 Adv. Wastewater Treatment Plant Operations
- CWS 204 Applied Hydraulics
- CWS 134 Pumps, Motors, and Valves

Prepares Students for SWRCB Grade 3-5 Exams
