

# CIVIC ENGAGEMENT LEADERSHIP PROGRAM

**October 7, 2021 | 1:00 to 2:00 pm**

## **Living Room Conversation: Civic Engagement and My Life**

Civic life encompasses the many ways that people connect and contribute to their community and society: from voting in an election to organizing a community rec kickball team, to standing up and organizing when we see injustice in our community. For some time, however, many facets of civic life have been in decline. For many, they've never even imagined their actions in terms of "Civic Engagement". This "Living Room Conversation" will offer an opportunity to reimagine- or imagine for the first time- one's civic life.

**November 4, 2021 | 1:00 to 2:00 pm**

## **Trivia Time: The 26th Amendment**

In this session participants will join an interactive trivia game highlighting the 26th Amendment. As we celebrate the 50th Anniversary of the ratification of this amendment into the US Constitution- this amendment that lowered the voting age to 18- we will reflect on the youth suffrage movement as it was in 1971, and how those experiences relate to the setting for youth today.

## **What to do in Winter: Write an OpEd**

We're lucky to be situated in sunny Southern California. So, maybe it won't be so cold and blustery outside. But, on the rare rainy day writing an Op-Ed is a great, cozy (and socially distanced) Civic Engagement activity. This workshop will offer a step-by-step process intended to help participants produce a working Op-Ed draft ready to tailor and send to school media, local media or National news outlets. We'll review example Op-Eds and identify the key parts of an impactful Opinion Editorial.
