

Civic Engagement Leadership Program

Post-Election Empowerment Plan

April 15, 2021 | 4:00 to 5:00 pm

Presented by: Heather Belk,

Director of Associated Students Administration, UC San Diego

The 2020 election season created a lot of feelings, questions, and convictions. Many of these emotions and perspectives were amplified by the violence on the Nation's Capitol. With the Inauguration complete, it's important to reflect on those experiences and create a personal plan for how you will continue to stay educated and involved in civic engagement, though the National Election cycle is complete for this past year. This workshop will feature a guided opportunity to do just that.

Civic Action and Reflection

May 6, 2021 | 4:00 to 5:00 pm

Presented by: Heather Belk,

Director of Associated Students Administration, UC San Diego

Civic action and reflection is a key component of developing ones civic engagement identity. In this workshop, student leaders from UC San Diego Office of External Affairs and CALPIRG will share examples of civically focused actions they have participated in and open space for reflection on how these actions benefit individuals or communities.

Civic Engagement and Me

May 20, 2021 | 4:00 to 5:00 pm

Presented by: Heather Belk,

Director of Associated Students Administration, UC San Diego

Often, we don't realize that the things we're doing out of personal interest also translate to being civically engaged. Using the AAC&U definition of Civic Engagement which states Civic Engagement, "means promoting a quality of life in a community, through both political and non-political processes." Participants in this workshop will think about their own hobbies, majors, and organizational involvement to identify areas of community impact from the things they are already studying or spending time on.
